Obuv. Mir Kozhi 2016. Winter

Obuv. Mir Kozhi opens Expocentre's 2016 exhibition season and runs on 18-21 January in Pavilion No.7 (Hall 3). The show features **the Leather Products, Shoes, Accessories and Clothing Salons**.

High standing of Obuv. Mir Kozhi is confirmed by the logos of UFI, the Global Association of the Exhibition Industry and RUEF, the Russian Union of Exhibitions and Fairs.

In a new season leather accessories and umbrellas will be presented in the largest sector of the exhibition. A winter edition is a particular event where in four days participating companies will showcase industry professionals a wide range of products: ladies' and men's bags, briefcases, folders, purses, gloves, belts, travel bags, suitcases, shoes, accessories, umbrellas, fashion jewelry, and many others.

Leading manufacturers from *Austria, Belarus, Canada, China, Italy, Japan, Russia, and UK* will participate in the winter edition of Obuv. Mir Kozhi.

New collections will be shown by such companies as Accademia, Angiolita, Bouton Fashion, Doppler, Fancy's Bag, Fulton, Galanteya, Giorgio Ferretti, Guliani Romano, Inter-Step, Lastoria, Leo Ventoni, Loretta Pettinari, Marino Orlandi, Pilgrim, Raindrops, Roberta Firenze, Tony Perotti, Dizel, Makhaon, Tri Slona, Fortunato, etc.

For the companies engaged in the Russian market of shoes and leather products the trade show will undoubtedly become an important event. Participation in Obuv. Mir Kozhi is an opportunity to evaluate demand trends, study partners' and competitors' offers, present new products, and discuss production and sales problems.

The industry experts from Russia and the neighbouring countries will traditionally attend the trade show.
